

## **DIRECTOR, CONTRACT COMPLIANCE**

USB is seeking an individual to join its Governance & Compliance team. We are looking for a strategic thinker with strong business acumen and legal expertise related to federal agricultural research and promotion boards.

### **Responsibilities:**

- Draft and negotiate contracts on behalf of USB.
- Manage complex legal matters involving multiple stakeholders and political forces.
- Research and evaluate different legal risk factors regarding business decisions, operations, and policy.
- Provide accurate and timely counsel to USB leadership on a variety of legal topics including contracting, USDA-AMS requirements, and other relevant laws/regulations.

### **Required Experience and Qualifications:**

- J.D. from an accredited law school and membership in good standing from a local state Bar.
- 10+ years' experience in a legal or compliance related field.
- Background and experience in the agriculture industry and government organizations (preferred).

### **Salary and Benefits:**

- Competitive salary based upon qualifications and experience.
- Health, vision, and dental insurance.
- Competitive retirement plan.
